

RMA Policy & Procedure

If an Azulle product is found to be at faulty or verified as malfunctioning, within 1 year of the purchase date, it is entitled to an RMA (Return Merchandise Authorization) claim so it can be repaired or replaced. To begin, you can complete the following steps:

- Contact Azulle through www.azulletech.com or call at 786-233-6769 ext. 1 (Azulle's office hours are Monday – Friday 9AM – 10PM and Saturdays from 10AM – 4PM EST.)
- Azulle will provide a link to create an RMA Ticket or you can create the ticket directly at www.quickrma.com
- Azulle's Customer Service Dept. will determine if the RMA ticket can be approved.
- If and when your RMA ticket is approved please return the unit to Azulle:
 - Please return the unit securely packed to avoid damage during the transit.
 - Kindly return the power adapter to ensure that this isn't causing any issues.
 - Please clearly mark the RMA number on the package.
 - If your computer is locked with a password, providing this information will expedite the process.
- Once Azulle receives the unit, the Logistics Dept. will update the RMA Ticket and reassign it to the IT Dept. for testing.
- The IT Dept. starts testing the unit and will update the RMA Ticket with the testing results.
- Throughout the RMA process you will receive email notifications with status updates from our Customer Service Dept.

Based on the testing results, a solution can be made:

- **If your unit is DEFECTIVE and:**
 - Within the 30-day warranty – you are entitled to a full refund, if requested, or a NEW¹ unit will be shipped out and Azulle will cover the shipping fees.
 - Not within the 30-day warranty but:
 - Within a 1-year warranty – you can receive a replacement and Azulle will cover the shipping fees.
 - Not within a 1- year warranty – Azulle can offer you the option to buy a replacement device.
- **If the unit is NOT DEFECTIVE and:**
 - Within the 30-day warranty – you are entitled to receive a partial² refund, if requested. Note: a restocking fee of up to 15% can be applied. Or a replacement device can be shipped out and Azulle will cover the shipping fees.
 - Not within the 30-day warranty – unfortunately, a refund is not applicable. You will receive your device back and you will be responsible for the shipping fees.

Shipping and Handling

- The Logistics Dept. will pack the replacement, repaired or original unit in a suitable package.
- The RMA number and quantity will be clearly marked on the packing slip.
- You will receive an email notification with the resolution for your RMA ticket along with your tracking number.

¹ Minus the shipping fees as shipping fees are non-refundable.

² If the original device was indeed a new device when purchased. Not applicable for used product purchases.
