For Immediate Release 08.16.17

Azulle, a mini PC manufacturer, has made the 36th Annual Inc. 5000 list of America's Fastest-Growing Private Companies.

The Inc. 5000 list is ranked based on the percentage revenue growth over a 3-year period, along with being a U.S.-based, privately held and independent organization. Ranked at #249, Azulle is considered among the top 5% of the companies that have been featured on the list. With being categorized #1 in Top Computer Hardware companies, #6 in the Top Miami Companies and #18 in the Top FL companies, Azulle represents a 3-year revenue growth of 1,720%!

“We are honored to be named on the 2017 Inc 5000 Fastest-Growing Private Companies list.

We have seen the caliber of companies that have been awarded and featured by Inc. 5000.

and for us to be part of them is a huge privilege.”

says **Jacky De La Rosa**, Operations Manager of Azulle.

2017 has been a very special year for Azulle with the following accomplishments:

- Azulle moved into a state of the art facility covering 20,000 square feet.
- Azulle is in the midst of launching three new products for which include the Byte3, the Inspire PC and the Access Plus3.

## More about Inc. and the Inc. 500|5000

The 2017 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. (available on newsstands August 16th), is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year average growth of 481%. The Inc. 5000's aggregate revenue is \$206 billion, and the companies on the list collectively generated 619,500 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sort by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).
